

Store Green Planet Coin with Trust Wallet

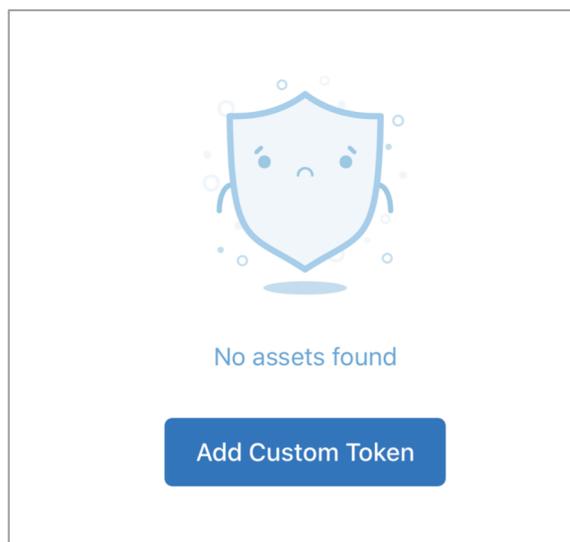

1. Go to trustwallet.com and install the app on your smartphone (either Android or iOS)

2. Open the App and create a new wallet. Once you are done with that search for “Green Planet Coin” in the search bar.

3. If you can't find Green Planet Coin with the search you need to add a custom token.

4. In the fields you need to enter the following information:

Contract Address: 0xa7b47854e6a99c83e190f94a460494ea28418718

Name: Green Planet Coin

Decimals: 18

Symbol: GPC

| Cancel | Add Custom Token | Done |
|------------------|------------------|------|
| Network | Ethereum > | |
| Contract Address | Paste | |
| Name | | |
| Symbol | | |
| Decimals | | |

5. Now you can start receiving and sending Green Planet Coins
